be well to keep these viewers in mind while planning floats.

The theme of the parade is "Preservation"---of our natural resources, free elections, the Church, our lives, humor, health, freedom ---and all else Americans are willing to fight for.

It has come to the attention of the parade committee that many organizations have not received their letters from the committee. Anyone who usually marches or enters a float, and those who wish to do so this year are asked to call John Fearing, SK 8-6629.

Since the last report of the committee, Marion and Mattapoisett have each submitted an entry. It is hoped that the three towns will be more evenly represented since the parade is a three-town project.

INSTALLATION

Officers of Florence Eastman Post American Legion and Auxiliary will be installed at the Mattapoisett Town Hall Friday, October 27th, at 8 P.M. The public is invited. Dancing will follow the installation. Refreshments will be served.
